

Background Screening for Employees and Volunteers

As a member of the Rochester Genesee Region of American Baptist Churches, you can have a background check performed for volunteers at a minimal cost through our insurance company. Church Mutual Insurance Company uses Trusted Employees as its preferred vendor for background checks and employee screenings.

To take the first step in running a screening on an applicant, send the following to Rev. Alan Newton via email (execrochabc@gmail.com):

- ✓ Full name of applicant
- ✓ Email address of applicant
- ✓ Name of your church
